Meetings concerning the proposed closure of Kingsdon Post Office and the consultation process regarding the future of Kingsdon Primary School

Kingsdon Parish Council Meeting Thursday 13th March at 7pm in Kingsdon Village Hall.

This meeting is to be attended by Annunziata Rees-Mogg, the Conservative Parliamentary Candidate for the Somerton & Frome constituency. Seen here with Angie Saunders during her visit to Kingsdon Post Office on Monday 10th March

Special Meeting with David Heath M.P. Saturday 15th March, 9am in Kingsdon Village Hall

Due to a full schedule on the day of the parish council meeting, making it impossible for him to attend at such short notice, David has agreed to meet Kingsdon residents at this special meeting prior to his usual monthly surgery in Somerton on Saturday.

Please support our Post Office and Primary School

Attending these meetings will show how much we the residents of Kingsdon, are opposed to the proposal to close our Post Office and the threat to our Primary School.

I am sure a good turn out at both of these meetings will not go unnoticed by the people who are responsible for the decision making.
