D.Beswick cannot see what effect this would have on the village at all.

They are going to be done properly this time and moved back slightly, which will be an improvement.

No concerns from councillors.

Parishioner – could we be wary to the villagers regards to noise and dust.

They have been cutting stone and it is a constant environmental damage.

Could contact planning to say mention disturbance to local residence with regards the construction method of cutting stone- noise and dust. Minimise the impact to residents. **Action – K.Hatt.**
