APPLICATION NO. 21/01389/LBC

APPLICANT Ian Lucy Dibben

PROPOSAL: Preventative structural work to the wall and roof to stop movement and preserve the long-term integrity of the building.

LOCATION: 27 North Town Kingsdon Somerton TA11 7LF

To preserve the state of the building. Neighbours have permission already and they would like to do the work at the same time.

KPC have no objectives.

Planning meeting briefing has been received. There was a phosphates update, they mention a phosphate calculator to assist with planning applications. SSDC also now has its own ecologist. Therefore, there seems to be some small movement in the planning department now.

**ACTION: K Hatt to email the comments to the planning inspector
Meeting closed at 8.13pm.**
